Getting Started on my.scouting.org

To access the wealth of BSA online adult and youth training modules, including **Youth Protection Training,** you will need to create a **my.scouting.org** account.

It's easy to set up your account. Just follow the step-by-step screen views below.

Instructions
(takes 5 minutes)

1. **Click on: https://my.scouting.org/**
2. **Click on Create Account**

3. **It will ask "Are you already associated with the Boy Scouts of America?" To answer, use the pull-down menu to the right of the question** *(circled in red).*

- o If you are not registered and you are trying to access Youth Protection Training, answer "No", then go on to section 4.

- o If you are already registered with a Unit or the Council, but have never set up a **my.scouting.org** account, answer "Yes". It will ask if you know your member number:

  - ▪ If you answer "no" (pull-down menu), go to section 4.
  - ▪ If you answer "yes", you will be prompted for your member number and your birth date.
    - o If your BSA ID is already associated with an account, your information will display. When you select your name, you will be prompted with security questions and will recover a username and password for you. Then log into your account.

    - o If your BSA ID is not associated with an account, go to section 4.

4. Fill out the form, accept the conditions, enter the code and hit NEXT.

5. It will then ask you to create an account. Fill in a User Name of your choice.

6. **Fill in the rest of your information for your account.**

7. **Save or make a note of your User Name and Password for future reference. You may also want to Bookmark my.scouting.org for easy reference.**
